**Subject: Termination of NPDES Permit Tracking Number TNG670467  
ANR Pipeline Company, Piperton Replacement Project  
Piperton, Fayette County, Tennessee**

Dear Mr. Johnson:

This letter is to inform you the Division of Water Resources (division) is terminating the above referenced permit coverage effective as of the date of this letter. As stated in your letter, activities at Highway 57 and Hwy 196 near the Wolf River that required an NPDES permit were discontinued.

Please note that all hydrostatic test water discharges require an NPDES permit from the division. Therefore, if you should decide to again discharge, you should submit an NOI in accordance with the requirements of the NPDES at least 30 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://www.state.tn.us/environment/permits>.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Paul Higgins at (615) 532-1178 or by E-mail at *Paul.Higgins@tn.gov*.

Sincerely,

Vojin Janjić  
Manager, Water-based Systems
